

HILLIARD-PALMER

Marriage In Gypsy Community Sunday Afternoon

At the residence of the bride's uncle and aunt, Mr. and Mrs. Ed Hilliard, an interesting wedding occurred Sunday afternoon when Miss Annie Palmer, daughter of Mrs. Onie Palmer, became the bride of Gilbert Hilliard of Gypsy, Tenn. The ceremony was impressively said by Esq. T. J. Compton in the presence of a few very close relatives and friends of the bride and groom. The bridal party consisted of the bride's uncle, Emma Palmer who gave her in marriage, Miss Mary Hilliard the bridesmaid, and Mr. W. B. Thomas of Memphis, Tenn., best man.

The home was beautifully and artistically decorated with cut flowers and potted plants, white and green being the color scheme.

The bride was handsomely gowned in white hand embroidered satin and carried white carnations and ferns while the bridesmaid appeared in blue silk carrying pink carnations and ferns.

After the ceremony a musical program was rendered and later a luxurious luncheon served in the dining room.

The bride and groom left for a short stay with Mr. and Mrs. Wash Palmer the grandparents of the bride at McKenzie, Tenn. On their return they will be at home with the bride's mother to their many friends.

We consider them a worthy young couple and wish them much success and happiness.

Buggy Turned Over

Miss Rebecca Moore and little brother and Miss Strawlin while driving down Nashville Street Monday afternoon, ran a narrow risk of being seriously hurt. The horse they were driving became frightened at an automobile and ran up on the side of an embankment, turning the buggy over, throwing the occupants into the street, the horse also falling to the ground. When the horse arose, the buggy turned back to its proper position being uninjured and the occupants unhurt. The horse ran some distance and was caught.

S. C. Herron Host

Below we give an extract from a write-up of a dinner which appeared in a Jackson paper:

Of all the Thanksgiving feasts and general good cheer, none were more heartily enjoyed than a family reunion at the palatial home of S. C. Herron, on Thanksgiving day, near Trezevant.

Mr. Herron is the eldest of the family of three brothers and two

sisters; M. F. Herron of Nashville, and T. H. Herron of Trezevant, being the two brothers. Mrs. Lansden of Malesus and Mrs. J. B. Townes of Jackson the sisters.

The heart of the eldest brother swelled with gratitude and thankfulness that all were living, though the father and mother had died some years before.

As Thanksgiving day approached, his great brotherly heart ran out with a desire to have those brothers and sisters to enjoy with him the anticipated repast. That same spirit of thankfulness found a responsive cord in the hearts of the brothers and sisters and right cheerily did they respond to the cordial invitation. A few other close friends swelled the number at the festal board.

WANT SCHOOL BUILDING

Clarksburg People Agitating Important Educational Movement

The Citizens of Clarksburg and community are agitating the question of erecting a High School building next year. They hope to be able to secure local subscription to the amount of \$4,000 and they hope to secure \$2,000 from the state and county, making the building cost \$6,000. If the new building is erected it is their purpose to consolidate other smaller schools with the Clarksburg school, giving ample attendance to furnish a sufficient corps of teachers to make it a splendid high school.

Em Clark, J. H. Pritchard, Squires Breechman and Belw and John Laws were here Monday on other business, but they were enthusiastic in advocating the new school improvement. They hope to erect the school next year and the work of getting up the subscription will be begun at once. We hope they will be successful, for that is a fine community of splendid citizens and deserves a good school.

J. W. Murphy, was in McKenzie Saturday on legal business.

PRIEST & PRIEST

The doctor who attends a birth is required to file certificate of said birth with the local registrar of the district in which the birth occurred within ten days. The undertaker or person acting as such is required to file with the local registrar a death certificate properly signed by an informant and by the physician last in attendance upon the deceased. The physician will sign the cause of death.

The law requires that this certificate be filed with the local registrar of the district and that a burial permit be procured from him before disposing of the dead body. Registrars have been appointed for practically every district in the county. R. F. Dilday is the registrar for this district. This is regarded by the medical profession as a very important law and its requirements should be strictly adhered to.
